

BLACK BOURTON CEMETERY

The [Health Protection \(Coronavirus, Restrictions\) Regulations 2020](#) came into force on 26 March 2020. Section 8 of the Regulations specifies: -

A person who is responsible for a burial ground must ensure that, during the emergency period, the burial ground is closed to members of the public, except for funerals, burials or interment of ashes.

As Carterton Town Council is responsible for Black Bourton Cemetery, it is with regret that we must close the cemetery with immediate effect.

Ron Spurz

Carterton Town Clerk
1 April 2020
