63. MINUTES

The Minutes of the Meeting held on 17 August 2004, copies of which had been previously circulated to Members, were confirmed as a true record and signed by the Deputy Mayor.

64. MATTERS ARISING

The Clerk reported that the PCT had replied saying that they would make the minutes of the meeting held on 28 July available shortly before the next meeting (Minute 59). On Minute 60 she had obtained quotes from three companies for signs at The Dell and had placed an order for two signs which would cost £500 each.

65. FIRST RESPONSE

Paul Montgomery of St John's Ambulance explained the First Response project which had recently been launched in Oxfordshire. The scheme was run by volunteers with the aim of providing treatment within 8 minutes of a cardiac incident. A delay in treatment of one minute reduced survival rates by 10%. There were already 14 volunteers working in the Carterton area and in the surrounding villages and these met regularly to receive training and agree a duty rota. Volunteers are trained in mouth to mouth resuscitation and in the use of defibrillators which cost in the region of £2,500 each.

Councillors expressed their gratitude to those volunteers who were running the scheme although there was some concern that this service was not being provided by the NHS. The statistics show that First Response can dramatically improve the chances of surviving a cardiac incident and it was suggested that the Council should consider purchasing a defibrillator for use within the town. It was agreed that this should be considered under the section 137 discussion that would be held at the October Council meeting.

66. TOWN MAYOR'S ANNOUNCEMENTS

In August the Mayor had hosted a coffee morning reception for older residents and launched the new Heritage project for the town funded by the Local Heritage Initiative. He had also attended the launch of the new Carterton Football Club following the merger of Carterton Town and Rangers clubs and the RBL Poppy Fair on the recreation ground.

In September the Mayor had attended the launch of BIBS which provides assistance to breast-feeding mums. He had attended the Fun Day held to launch the 'Necklace' project organised by St. John's Church and based in the new primary school. He had also been at the service of welcome for the new Methodist Minister. Cllr Mrs Bulley had represented the Mayor at the civic service in Henley.

Several Town Councillors had been present at a meeting held with the Chief Fire Officer and David Cameron MP. It had been agreed that a party of Councillors should visit the control room at Kidlington and draw up a list of items that they would like to see included in the forthcoming review.
